

SECTION 6

6.39 CURB STOPS:

Curb stops are set on the service line on the inlet side of the meter pit and provide a means to shut off the service line. Placement of the curb stop and stop box can vary from a maximum of 5 feet outside the property line to a maximum of 5 feet inside the property line. Placement of the curb stop and stop box outside the property line is required. See Sheets 46 and 48 of the Standard Drawings and MS-21 for further details.
